FOR IMMEDIATE RELEASE

MUSCOY COMMUNITY CLEAN UP DAY

County of San Bernardino provides free trash and tire collection containers

(San Bernardino, CA) Muscoy residents are throwing out their trash and tires for free on Saturday, April 30.

San Bernardino County Fifth District Supervisor Josie Gonzales, county Code Enforcement and county Solid Waste will provide trash and tire collection containers for the free removal of accumulated trash.

The containers will be available from 8 a.m. to 12 noon at:

- Blake Street & Macy Street
- Darby Street & Macy Street
- Darby Street and Duffy Street.

Last year, this program removed 200 tons of trash and debris from the community of Muscoy. Organizers hope to make this year an even bigger success.

Bring your trash and tires to the designated containers. All tires must be removed from rims and the maximum size is 11" x 25.5"(car and light truck tires only).

Also throw out the following items to help us clean up our community:

- Scrap metal
- Old appliances
- Household trash
- Yard waste
- Furniture
- Cement

Hazardous materials such as TVs, computer monitors, motor oil, oil filters, paint, paint thinners, and batteries will not be accepted. To dispose of these types of items please call 1-800-OILY-CAT to find the hazardous waste location nearest you.

While cleaning up around your house, don't forget to dump all standing water to prevent the breeding of mosquitoes and spread of the West Nile Virus.

For more information, please contact James Breitling, field representative for Supervisor Gonzales, at (909) 387-4565;
